Chapter 1 by Meme Lord

"This is it," you say with tears rolling down your cheeks, "the end of my life." You place the note down on your desk and place the noose around your neck. With the heel of your foot you kick the chair holding you up over and your vision fades to black. You feel a strange sense of bliss when you wake and find yourself floating upwards through the clouded sky above your home town. You look up and you see... The face of Danny Devito. It says to you, "Hello, my child." You cannot believe what you are seeing. You ask him "What are you doing in heaven?" to which he replies "Isn't it obvious? I'm God!" You cannot accept this... you refuse to have Danny Devito as God. You demand "Take me to Hell!" And He replies "As you wish, my child..." As you float through the earth's crust for what seems like forever, you suddenly enter hell and hear a booming voice bid you "Enter..." you do as it says. You approach the throne of Satan to reveal that he, too, is Danny Devito. You panic and scream. Danny laughs at your torment. You ask to be taken to heaven but he refuses. You decide "If I can't walk out, I'll break out..."
